3 Bedroom, 2.00 Bathroom, 1,800 sqft
Residential on 0.14 Acres

NONE AVAILABLE, Westminster, MD

This classic home is full of character and potential, offering three spacious bedrooms and two full baths. With its charming German-style brick architecture and original hardwood floors, it's the perfect opportunity for someone looking to bring new life to a solid, well-built property. Many major updates have already been completed, including all new water lines, improved electrical, and a passing septic inspection. The roof is in good condition, and while the windows are original, they remain in great shape. The home still needs cosmetic updates, but the large rooms and thoughtful layout make it an ideal project for those with vision. There's plenty of parking behind the home and minimal yard to maintain. With a little TLC, this stately property can truly shine once again. Great opportunity for someone to live on location and fix it up over time.
