VILLAGES OF URBANA, Frederick, MD

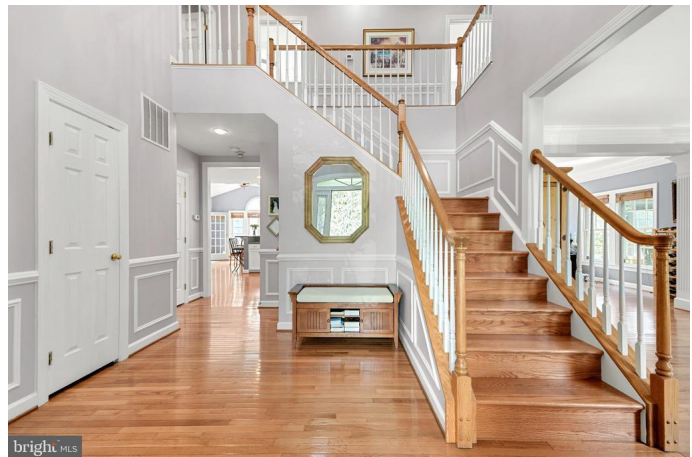

“Home is the place where your story unfolds.”

In the Villages of Urbana—where parks, pools, and people come together to form one of Frederick County’s most loved communities—there’s a home that quietly redefines value.

Step inside 9203 Shafer’s Mill Dr., and you’ll instantly feel it. This rare NV Potomac model offers nearly 5,000 finished sq ft of thoughtful design—yet it’s priced well below the going rate per square foot for similar homes in Urbana. That means you’re not just buying a beautiful home—you’re buying smart.

From the quiet front office to the open-concept kitchen, family room, and dining area that flow seamlessly together, every inch invites connection. The original owners have cared for it like family, and it shows—from the warmth of the hardwoods to the oversized windows that fill the home with light.

Upstairs, four spacious bedrooms and three full baths create a sense of breathing room, anchored by a primary suite that feels more like a retreat. Two walk-in closets—one large enough to make any fashion lover jealous—ensure that space is never an issue. Downstairs, a fully finished lower level adds another dimension: a rec room, media room, full bath, and a flex room ready for a gym, guest suite, or office. Whatever stage of life you’re in, this home adapts with you.

Step outside to a stone patio that spans nearly the entire width of the home—perfect for gatherings, dinners under the stars, or slow Sunday mornings with coffee in hand. With 4 bedrooms, 4.5 baths, and nearly 5,000 sq ft of finished living space on a .29-acre lot, 9203 Shafer’s Mill Dr. delivers that rare combination: luxury, location, and incredible value. Because in Urbana—where square footage often comes at a premium—this home proves that sometimes the smartest move is the one that lets your story grow without compromise.
